Disclosure Statement under 37 C.F.R.1.97(e)(1) Certification

The applicants respectfully request that the following references be considered in the examination of the above-identified application. These references were uncovered by a search recently conducted by the European Patent Office acting as the International Searching Authority in applicant's counterpart European patent application. The mailing date of the Search Report is June 5, 2000 and this Disclosure Statement is filed within three months of that date. A copy of each reference, the European Search Report and a completed PTO-1449 is enclosed.
